EBS TEST SYSTEM 90.222

Unit

For complete coverage of all Air brake systems this Premium test kit includes..... Unique Spring brake tester, Air suspension Load Sensing Valve test and adjusting unit, plus many other combinations to suit all situations. Plus 3 x 6M test hoses, 3 x 2M test hoses, Test points, 4 gauges and a range of couplings and fittings as shown in the illustration. Comes in a Strong compact carrying case
